#### 3. VFS Rule changes

- Clarify wording in 4.4 Jump Order (make wording like the FS rules)
- Clarify definition for 2.3 Grip Line (the vertical plan and how this concerns the grips) based on feedback.

#### 4. Future Competitions

- Czech Republic 2012 Open EPC in FS and VFS.
- Dubai Mondial 2012.
- Organizers are invited to present bids for future competitions.

#### 5. Other Business

- Judging process: Feedback from the FS meeting suggested again that the Committee looked at reduced speed judging. USPA introduced the use of slow motion and multiple viewings at their Nationals this year. Judy will send us a detailed report but regarding to Eric Heinsheimer the method used to judge worked very nicely. They had 3 panels and 60 4-way teams, and scores were posted for each round prior to most teams going up for their next jump.
