

NATIONAL REPORT POLAND

CIMP Meeting, Lausanne 17-18.06.2006

1. In 2005 Warsaw was the host city of the 53rd ICASM and also the FAI-CIMP meeting. Both events drew attention of Polish Aeroclub authorities and members and were widely discussed afterwards.
2. Implementation of JAR-FCL 3 is now complete in Poland.
3. Changes in the Polish Aeroclub Board took place in April 2005. New president was elected – gen. Gromoslaw Czepinski.
4. The Aeroclub Board is working on structural changes in the Aeroclub allowing it to operate in the conditions of free market economy.
5. Along with the Civil Aviation Office the Polish Aeroclub considered causes of air accidents in 2005. In the Polish Aeroclub there were a total of 59 accidents and serious incidents, 9 fatalities, 36 pilots were seriously injured, 14 air ships destroyed and 35 seriously damaged. Among fatal accidents the dominant cause was human error, ranging from fuel amount miscalculation, mistakes in flight procedure at low altitude, to deliberate ignoring flight safety. Preventive steps are taken to avoid such incidents in future, mainly by designing changes in the training process.
