ASSUNTO  
SUBJECT

Letter of interest to host the 10<sup>th</sup> FAI World Advanced Aerobatic Championships in 2012

Dear President,

On behalf of Portuguese Aeronautical Federation would like to demonstrate our honor to host the 10<sup>th</sup> FAI World Advanced Aerobatic Championships in 2012 and hereby presents its preliminary bid.

The planned location would be Santa Cruz airfield (LPSC), and the date for the event is planned for July 12<sup>th</sup> to 22<sup>nd</sup>, 2012.

Our member Aeroclube de Torres Vedras, the manager of the Santa Cruz airfield, will be the host Organisation supported by our Federation.

Santa Cruz Aerodrome is located in Portugal, 60km North-West of Lisbon, this makes it an unique airfield due to its proximity to the capital, surrounding shoreline with beautiful beaches and amazing landscapes. The Aerodrome is located around 500m south of Santa Cruz Village, and walking distance from the beach.

This aerodrome was stage of the biggest Air Sport Event in Portugal this year, 2011, named Santa Cruz Air Race 2011. Webpage [www.santacruzairrace.com](http://www.santacruzairrace.com)

It's the only civil aerodrome in Portugal, with 2 parallel runways, asphalt/ hard soil surface at sea level. All the facilities for the championships are located on the airfield and the facilities for the accommodation are nearby.

Looking forward for a favorable reply, please accept in the meantime our very best regards.

The President of FPA
