

Appendix 12 – Internal Regulations Amendments

The following amendments to Internal Regulations were approved:

6.2. Chairmen – delete “appointed annually by the CIVL President” and insert “Elected annually by the Plenary”.

To correct a discrepancy between IRs and the FAI By-Laws.

6.3. Members

Reword paragraph to read: "Delegates, alternate delegates and specialists nominated by their NAC are eligible to become members of subcommittees and working groups. CIVL delegates may, after consulting with the chairman of the Subcommittee, nominate their specialists or themselves to join the Subcommittee of their own wish subject to the chairman decision on numbers. The chairman may restrict the number of members to 7 + himself."

To bring Internal Regulations into line with established practice.

Annex 2: TOR for CIVL Subcommittees.

Delete "Landing" at beginning of fourth line of introductory paragraph. Also delete "World Hang Gliding Series" at end of that paragraph and replace with "Aerobatics".

To bring document into line with current structure.

February 2006

**John Aldridge
Chairman, Section 7 Subcommittee**
