FEDERATION AERONAUTIQUE

- To CIVL President -

Based on the received request from the Aeronautical Union of Serbia, related to the City of Raška support in the organization of the 13<sup>th</sup> European Paragliding Championship 2014, we would like to inform you that City of Raška has approved to support this championship event.

On the territory of the Kopaonik and Golija mountain there are plenty of sites for paragliding with very good climate conditions and built infrastructure. It is also important to mention that the City of Raška has rich experience in the organisation of such events.

We look forward to welcoming you in our beautiful Kopaonik ski resort and hope that the Aeronautical Union of Serbia and local Paragliding Club "Golija" is going to be a successful organizer of this event.

Yours sincerely,
